The days are certainly flying by; The weather is becoming hotter and our kindergarteners have started to settle in our environment. It is *amazing* to see the progress they have made since the term was opened.

We Would like to welcome our new kindergarteners who joined us this week.

If throughout the year your child is ill or for any reason, and you know they are going to miss school, please call Crystal Bel kindergarten and let someone know. It helps the teachers' to know how many children they will have at each session when planning activities.

HOMEWORK. The students will be coming home with homework on Fridays and the homework is supposed to go for a week and is supposed to be returned back to school on Wednesdays. Please find a piece of time on your schedule and help your child with homework.

Reminders.

Parents are also reminded to provide Handwriting books for their children for easy practice of good Handwriting.

Share a story book with your child on a daily basis.
