

# CRYSTAL BEL WEEKLY NEWS

ISSUE 007

29<sup>TH</sup> March 2018

It has been a wonderful week and our week started with Midterm exams on Monday and most of the children have completed their exams irrespective of the absent children who will complete them after Easter. We also had an Easter Skit on Wednesday about how Jesus Died on the cross and how he was betrayed by Judas, How Mary Magdalene went to the tomb and found it empty. The boys and girls loved it so much and there after we had questions to answer.

Children have come home with Easter package. We ask parents to help your children while they are doing it.

We shall have a parents consultation meeting after Easter and we shall inform you when its going to take place.

## Learning TIP

In order to make a good start in reading and writing, children need to have an adult listen to them and talk to them. Speaking and listening are the foundations for reading and writing. Even everyday activities such as preparing meals, tidying up, putting shopping away and getting ready to go out offer you the chance to talk to your child, explaining what you are doing. Through these activities, children hear the way language is put together into sentences for a purpose.
