

# CRYSTAL BEL WEEKLY NEWS

ISSUE 012

29<sup>th</sup> June 2018

**T**his week has been challenging. The weather has not been stable but we thank God children are doing well.

Children have gotten their Identification cards. We ask parents to always give Children's IDs to caretakers / Guardians whenever they are coming to pick the children from school in the evening. Extra fee will be charged for ID losses.

Friday Next week will be **FRUIT DAY**. All Children will come to school with fruits to help in learning about fruits. Children will share their fruits after the exercise.

Today Friday is *Bulime Fahim's* Birthday. We have celebrated it at Hotel La Grand before we had our swimming lessons. It was fun. Happy 4<sup>th</sup> Birthday little dove. May you live to blow a Million candles..

**Hand-eye co-ordination.**

Pouring water into jugs and cups of different sizes, sweeping up with a broom or brush, cutting, sticking, tracing, threading beads, completing puzzles, peeling off stickers and sticking them in the right place – these all help hand-eye co-ordination.
